PROFESSIONAL EXPERIENCE

Podcast Coordinator

Ilahi Travels

Full-Time / 4 Months

- Served as the lead on-camera host and primary coordinator for the company's official podcast platform.
- Led strategic outreach to identify, pitch, and onboard high-profile guests, thought leaders, and specialists.
- Managed the end-to-end production lifecycle, including script preparation, timeline scheduling, and technical coordination.
- Created targeted social media promotional content and reels to drive digital audience acquisition and channel growth.

Broadcasting Intern

Doordarshan Kendra, Dehradun

- Provided professional voice-overs for multiple televised program segments.
- Trained extensively in program hosting, camera presence, and teleprompter reading.
- Assisted the Program Section with daily production workflows and content scheduling.
- Mastered audio delivery, tone modulation, and professional studio protocols.

Reporter

Newswala Network (Digital Media Platform)

6 Months

- Covered local news stories, conducted live interviews, and produced feature reports.
- Sharpened on-the-field storytelling and digital news-gathering techniques.
- Collaborated closely with editors to meet tight broadcasting deadlines.

Content Creator

College Tips.in

- Conceptualized and produced high-value video content focused on student guidance and academic lifestyle.
- Designed and launched a "Selling Program" for resume-building services, managing the full sales funnel from lead generation to customer delivery.
